

Honours Program Application Form

1. Students may apply after the completion of 45 credit hours. Applications are to be received by April 1 and will be reviewed once all final grades are received. Students will be notified concerning their application status in May.
2. For admission to an Honours program, students must have a cumulative GPA (CGPA) of at least 3.3.
3. Grades on courses awarded transfer credit are not included in CGPA.
4. Acceptance into the program is also subject to faculty availability and by the Dean's Approval.
5. Where a thesis is completed, there is an additional binding and processing fee for its placement in the library collection.
6. Upon entrance into the program, you must meet with your faculty advisor to establish a schedule for completing all the program requirements. You should expect that your course selections will be affected by entering into this new program. Further, you also anticipate that the Thesis process will take a year or more to complete.
